Artistic Rendering...thoughts become things!

Gehrke Goat Hill Residence...from a vision to a reality...

If you look closely you can see Eric on his cell.

You can see why it's called Goat Hill!

Up we go!

A little northwest rain doesn't slow down an ICF job...when it rains we still pour!

Getting there is half the fun...right?

Mechanical room...

Polished Concrete Floors Throughout with radiant in floor heat

Artist Rendering of living room view

Wow! Actual living room view!

Life is good!

View...priceless!
